Bring happiness and enthusiasm into the workplace

Awakening the Heart of Leadership Potential

The Art of Workplace Happiness

Everyone wants to experience love, joy and happiness in life and at work. "All you need is love", these words made so famous in the song by The Beatles 30+ years ago, still hold true today. Positive energy and inspirational leadership energizes staff to meet tight deadlines and aggressive goals. In her talk, Joanna provides a roadmap to fulfilment, vibrant mental, physical, and emotional health. She shares the ABCs of high performance and keys to success to help leaders develop greater self-awareness, and awareness of others.

Results:

- Courage, inspiration, and positive energy to lead change
- Emotional fulfilment for more joy and happiness
- Greater self-awareness and awareness of others, developing connections, trust, and mindfulness

Get Connected

Grow A Desired Team Culture

Many leaders are waking up to the fact that the most important factor for the success of their team and organisation is culture. The way they behave together can make or break an organization. GET CONNECTED has the ambition to create those special moments in a team that we love to be a part of. Times when you felt connected to the moment, the challenge, the task, the team and yourself. GET CONNECTED is a one day workshop to support team development in the workplace, designed to empower team leaders to build and grow team culture.

Results:

- Create a corporate culture of happiness and enthusiasm to increase engagement, performance, and retention
- Shared understanding of the factors that create a dream team
- Dynamics of mapping and measuring culture to support transformation

Culture by Design

How to Build Your High Performing Workplace Culture

Building an impactful, people-centric, high performing workplace culture unleashes the tremendous potential within your organisation. In this keynote leaders learn how to create a workplace culture that is highly motivated, engaged, and productive. A winning environment that provides conditions for its leaders, employees, customers, and key stakeholders to succeed and grow.

Results:

- Attract, engage and retain valuable employees for greater customer satisfaction and revenue growth
- Enhance internal culture to create a stronger external brand
- Assess the current culture, organisational climate, and capacity for business transformation.

JOANNA BARCLAY

CEO - The Culture Leadership Group

AUTHOR - Conscious Culture
Global Speaker

*"People ask me how to build a happy workplace culture. I tell them it takes conscious leadership: with **Awareness** to engage the intellect, **Belongingness** to engage the heart, and **Commitment** to engage the whole organization. **Values are the language of the heart, and when they are lived give a positive mental attitude.**"*

Joanna Barclay is a published author and global speaker on leading change, building high performing workplace cultures, and values-based leadership.

She is an award winning consultant with over 3 decades of success facilitating the transformation of leadership teams and organizations. With 15 years teaching yoga and meditation, she is passionate about self-mastery, mindfulness, and personal development.

Audiences love the energy and passion Joanna has for people and her work which focuses on how to bring engagement and happiness into the work environment. Her specialty is speaking at global conferences, awakening leadership potential to make a difference through caring for people, profits and the planet.

Joanna moved to Singapore from Canada in 2014 and is a fresh new face in the Asian conference marketplace.

Looking for a speaker to inspire new thinking and conscious leadership to meet the challenges of the 21st century? Contact Joanna for your next event.
